

# Welcome to Germany

Many private persons, volunteers and aid organisations offer you help.

Unfortunately, there are also people who take advantage of the emergency and may want to put you in exploitative situations.

## Be vigilant!

- Never give your passport and mobile phone to other people for safekeeping
- Inform your families or friends where you are going or staying
- Be sceptical if you are offered work as soon as you arrive
- Leave your accommodation or home if you do not feel safe there
- Be sceptical if you are asked for money or pressured to do something you do not want to do
- Remember: Counselling and help about residency or social matters are free of charge in Germany

**In the event of acute danger or suspicion, contact the police and dial 110!**
